

Tour de Kainuu Group Registration

Groups with at least six cyclists are eligible for a 15% discount on participation fees. Group registration should be made by email to tapahtumat@kainuunliikunta.fi. Registration by email is binding.

Payment

The group may pay the participation fees with a single invoice, which will be sent to the group contact person.

Individual group members may, if they wish, pay their own participation fee using a personal sports benefit (e.g., ePassi, Edenred, Smartum). Sports benefits are personal and cannot be used on behalf of others.

If some group members pay using sports benefits and others by invoice, the invoice sent to the group contact person will take the sports benefit payments into account.
